

# "MUSICIAN, SINGER, ARTIST, STORYTELLER"

**Maye Cavallaro**  
Vocalist, Instructor

"Canta che ti passa...  
Sing and it will pass."

Teaching and learning with my students is one of my greatest joys. The study of music is never over for any musician. Students are constantly challenging me to listen, test my beliefs, and, they're regularly surprising me with ways to express our ever changing feelings and experiences of life. Plus, we laugh a lot. Check out my classes and lessons on my website at: [redheadmusic.com](http://redheadmusic.com). I hope you'll enjoy the show.

**Julie Wenden**

I appreciate music very much and I also appreciate the many musicians that enhance our enjoyment of life.

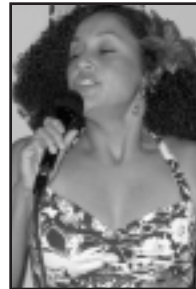

**Irene Boltz**

The heartfelt wishes of a 10 year old girl for singing lessons and a lifelong passion for music combine now, to make my dream of singing come true.

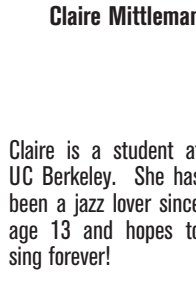

**Peter Eden, Pianist**

"Catches falling stars,  
to throw them back".

**Ana DeLeon**

Ana loves singing, she was a child star in her native Guatemala. Now she sings mostly in the bay area. She is eager to learn more of the jazz style.

**Claire Mittleman**

Claire is a student at UC Berkeley. She has been a jazz lover since age 13 and hopes to sing forever!

**Ann Phillips**

I am a believer of learning, growth, and meeting challenges to achieve these goals; some people climb cliffs, some skydive. I'll never jump out of a perfectly good aircraft, so I decided to sing instead.

**Paul Arleo**

Music-an old, reliable, faithful and trusted friend---has returned to Paul after very lengthy and unappreciated absence...just in time. Now, truly, the best is yet to come.

# "THE ART OF JAZZ SINGING, WITH A TRIO"

**Bruce Felter, Drummer**

A San Francisco native, he's been playing drums for more than 40 years. Now retired from his day job, he's able to devote more time to playing music, and collecting vintage drums.

**Kitt Weigant**

After spending most of my life as a TV writer/producer, business owner and voice-over artist, I'm returning now to my first love.

**Kay Kostopoulos Amarotico**

Kay is a professional actress and teacher at Stanford University. She regularly performs with her jazz group, "Black Olive."

**Dean Muench, Bassist**

Dean Muench is the son of a jazz drummer. In addition to his acoustic bass work in trio settings, he is an accomplished electric bassist.

**Camille Perona**

Singing is the balance in my life and the joy. It vibrates the chakras. Perhaps we learn from the birds "Keep a green bough in your heart, and the singing bird will come."

**Paul's Evil Twin**

**Bette Jordan**

I am a self proclaimed swinger. However, I do mean in the traditional Jazz sense of the word. Mellow, medium, fast or slow... it's all about sharing the pure joy I find when the groove is working for me.
